

Product End of Life Announcement

AMAX-LTS for AM AreaMax models 2014-2019

End-of-Life timeline is as follows:

Date	Event
August 30, 2024	End-of-life effective date.
August 30, 2024	Last time buy
December 31, 2024	Last day for Technical Support. Support requests for the listed products will not be accepted after this date.

History

A light trespass shield, PN AMAX-LTS was offered for AM models of AreaMax manufactured from 2014-2019.

AX models of AreaMax manufactured from 2019 – current (date of announcement) use a different style of light trespass shield, PN AX-LTS4.

Cross Reference for Suggested Replacement/Exchange

Light trespass shield AMAX-LTS for AM AreaMax and AX-LTS4 for AX AreaMax are not interchangeable. There is no replacement for PN AMAX-LTS.

If additional light trespass control is required on AreaMax models 2014-2019, dimming with ConnectLED may be an option. Please contact Customer Service to see if your company holds a ConnectLED license. 425-336-5800.
