

**AREAMAX - LIMITED PRODUCT WARRANTY**

Notwithstanding any other inconsistent warranty, Evluma warrants a ten (10) year Warranty Period on all Evluma AreaMax products (“Products”), excluding any Software delivered with the Products (except as provided by the terms and conditions of the Limited Warranty in the End User License Agreement, Schedule B), and that the Products will substantially conform to the applicable specification for such Products.

Evluma expressly represents and warrants that at the original time of the purchase of the Products: the Products, including without limitation the design, materials, workmanship and components incorporated therein, shall be free from substantial defects in design, material or workmanship, shall be of a high quality, shall in all material respects conform to their published specifications, representations, conditions, and guaranties relating to performance, and shall, to the best of Evluma’s knowledge, not misappropriate, infringe or otherwise violate any third party intellectual property rights.

**AreaMax Coastal Area Exclusion.** Evluma does not warrant in any way the use of the standard AreaMax identified by Order Code (AM-XX-XX-X-X-XX-STD-XX, or AX-XX-XX-X-X-XX-STD-XX) within any coastal area of land that exists within 2000 feet of a salt water body of any kind. This Warranty shall apply to the coastal version of AreaMax identified by Order Code (AM-XX-XX-X-X-XX-CST-XX, or AX-XX-XX-X-X-XX-CST-XX). As Evluma’s sole obligation and Buyer’s exclusive remedy for any breach of this warranty, Evluma agrees during the Warranty Period, at its sole option, to (i) use reasonable efforts to repair the Products with new or refurbished replacement parts; (ii) replace the Products with a new or refurbished unit, or (iii) refund the purchase price, provided Buyer returns the defective Products to Evluma with proof of purchase.

Evluma’s warranty hereunder does not apply in case of any damage caused by accident, abuse, misuse, misapplication, or alteration of any kind (including upgrades and expansions) performed by anyone other than Evluma or Evluma’s designated agent. Evluma shall bear the cost of shipping the returned item.

Warranties do not cover Acts of God, lightning, fire, public disturbances, or vandalism. All warranties are void, and Evluma accepts no liability in connection with and/or arising from:(a) any acts, behavior, conduct, and/or negligence on the part of the Buyer, (b) use of the Product for a purpose for which it is not designated, or (c) installation of the Products or use with fixtures or equipment other than as specified in the applicable Product Installation Guide. This warranty excludes field labor and service charges related to the repair or replacement of the Product. This warranty excludes damage to equipment, fixtures or other assets of Buyer. This warranty is void if a Product defect has resulted from accident, abuse or abnormal use of the Product.
